

Wondering how to get involved in
conservation practices to improve
WATER QUALITY?

JOIN US TO DIG IN!

Attend a unique **field day** to learn about new Edge-of-Field practices, such as bioreactors and saturated buffers. Farmers and contractors are invited to join other water quality stakeholders to increase understanding of these practices.

YOU'LL HEAR FROM:

Julie Kenney,

Deputy Secretary,
Iowa Department of
Agriculture and Land Stewardship

Jim Jordahl, Director of Programs
and Operations, Iowa Agriculture
Water Alliance

Aaron Lyle, President, Land
Improvement Contractors Association
of Iowa (LICA)

Thursday, September 13

11:00 a.m. – 2:00 p.m. **LICA Farm** 1741 290th St., Melbourne

This field day is **FREE** and includes a complimentary meal provided by the Iowa Pork Producers Association, Iowa Corn, and IAWA.

RSVP to ILF – **515-294-5429** or **ilf@iastate.edu**

Tour the various conservation practices installed at the **LICA farm** and visit the **Iowa Learning Farms (ILF)** Conservation Station On The Edge trailer.
